Healing 101

FREE LECTURE SERIES FOR LEARNERS OF ALL AGES

Learning to heal

We live in a world where millions of people are striving to make change for the better. So, in a world seeking positive change, how do we make sure that such change actually happens? Speaker Mark McCurties says, "We all have a natural desire to improve ourselves and the world around us. In my own life I've found that letting God, divine Love, guide and direct my efforts brings permanent and meaningful results."

Pizza and refreshments will be offered.
