Healing 101
FREE LECTURE SERIES FOR LEARNERS OF ALL AGES

Learning to heal

Can there really be a science to Christianity? Are there really spiritual laws that can be proven reliably? Former applied physical scientist, and now international speaker Mary Alice Rose, says, "Christian Science is rooted in the scientific method. I've witnessed examples in my own life and that of others illustrating how spiritual laws can be put into practice."

Pizza and refreshments will be offered.
